

# Popular Nominations In Astorian Contest

This Opportunity Comes But Once  
In a Lifetime

Some One Will Win These Handsome Prizes. There is Nothing in Luck. Why Not You?

The Astorian popular contest started today with over 50 contestants from the five districts.

The list will undoubtedly grow from day to day, with steady increase of votes for those who have resolved to win one of the 17 prizes. Readers of the Astorian and friends of the candidates should do all in their power to help their favorite.

Every ballot and nomination blank cut from the Astorian will count, and this might win for some young woman. Besides, people subscribing and prepaying their subscription will receive a special vote coupon which can be voted at any time during the contest. Therefore, any person who wants to encourage any ambitious young woman can do so by prepaying their subscription to the Astorian and give them the special vote coupon.

Voting is not restricted in any sense whatever. Anybody may vote as often as he pleases and for whom he pleases, no matter what district or county the young lady may be entered. This is a voting contest, and the young woman receiving the largest number of votes may be selected to take the prizes.

Unlike other contests, this offer pays in value for each cent invested. Votes are not purchased at so much each but for every cent received by this paper a cent's worth of value is dealt out in news of the world. It is an investment rather than an expenditure, and no one should consider it in the light the money paid out is money thrown away.

A difference of a few hundred votes is not a very large margin, as it means but a six months' subscription to the Astorian, and those who are behind by such a small number should keep on with the race with renewed vigor.

There is a ballot box in the Astorian office where the votes may be deposited for any young ladies whom you may see fit to vote for. If you cannot bring the ballots to the office, send them in by mail to the Contest

Manager and the votes will be accorded to the young lady for whom they are intended. The votes are counted twice, so there can be no mistake as to the proper number of ballots accorded to each candidate. The votes are always open for inspection to insure a fair deal.

## HOW TO WIN.

Any young lady who desires to enter this great contest and win one of the magnificent prizes offered, should at once see that her name is sent to the contest manager. All that is necessary to win a prize is to receive the largest number of votes according to the condition mentioned elsewhere in this announcement.

Candidates should at once interest their friends in the contest and by united and energetic action induce as many people as possible to vote for them. Each nomination coupon cut from the Astorian will count for five votes for a candidate.

The nomination coupon will only appear for a few days. The easiest and quickest way to win is for candidates to ask their friends to prepay their subscription for six to twelve months. It costs the subscriber nothing extra to do this and they are saved the annoyance of weekly and monthly collections. By so doing you receive a special vote ballot which is good any time during the contest.

Orders for the prizes will be given the successful contestants at the close of the contest; same may be used by the contestant herself or disposed of in any manner she may see fit.

Any young lady residing in the above mentioned territory is eligible to compete in this contest.

Anyone who desires to vote in this contest may do so by ballots cut from the Daily and Weekly Astorian, or by special vote coupons obtained by subscribing to the Astorian. The coupons secured by subscribing to the Astorian may be held as long as desired and voted at any time up to the desired close of the contest, but

## INSTRUCTIONS FOR VOTING.

Enter the name of the lady whom you wish to secure one of these magnificent rewards in this contest at once. She may win an automobile, piano, a free trip, or one of the valuable scholarships. Better still, get the lady to enter her name and then vote for her. Those who get in on the start have the best chance of winning, so it is desirable that the names be entered at once in order to get a good start. Candidates who enter this contest do not necessarily have to be subscribers of the Astorian. Enter your name and your friends will do the rest. You will be surprised to see how rapidly the votes will come in, and what little efforts is necessary to

win one of the rewards offered. Get in on the start and encourage your friends to vote for you; the rest will be easy. You will never know how popular you are until you enter a contest of this kind.

## DISTRICTS.

The districts will be divided as follows: First district will include all the City of Astoria east of Twenty-second street; second district will include all the City of Astoria east of Ninth street to Twenty-second; third district will include all the City of Astoria west of Ninth street to city limits; fourth district will include all the towns in and around Ilwaco and Chinook; fifth district will include the towns of Hammond, Warrenton and Seaside.

## HOW THE PRIZES WILL BE DISTRIBUTED.

The automobile will be awarded to the young lady receiving the largest number of votes in the five districts. The piano the second grand prize will be awarded to the young lady receiving the second largest vote in the five districts.
